

"Alexa, start Thinking Cap."

Thinking Cap Math

Develop agility in mental math and build the foundation of future learning success.

Multiplication by 2

Teachers: Practice the problems with the students in the classroom. After this, have them work with Thinking Cap Math on Amazon Alexa to solidify their mental math skills.

Tip: Keep in mind that while working with Alexa, students who experience difficulty with mental math can use concrete props to help them. You can have them use their fingers, toes, or physical counters such as blocks or paper clips.

Standards: CCSS.Math: 3.OA.A.4, 3.OA.C.7

Material Covered

In this lesson students will practice:

1. Basic multiplication by 2.
2. Finding missing factors in multiplication by 2.
3. Solving word problems with multiplication by 2.

Part 1 - Basic Multiplication

Q1: How much is 2 times 5?

Q2: How much is 3 times 2?
